## 2008 Scholarships at AIE Canberra

AIE Canberra is excited about the scholarships on offer for students planning on studying in 2008. The following scholarships are available:

### Women in Games Scholarship

One scholarship of up to \$2000 is available to women studying 3D animation or games programming. To address the current skills shortages in industry, preference will be given to students interested in studying games programming through the Advanced Diploma of Professional Game Development.

### Bigworld Games Programming Scholarship

Bigworld has generously established three scholarships of \$4000 to assist games programming students complete year two of the Advanced Diploma of Professional Games Development (Software Development). Applicants must fulfill the pre-requisites for entry into year two of the course before applying for the scholarships.

### ScreenACT Games Programming Scholarship

Two scholarships of up to \$1400 are available to assist first-year games programming students with their Certificate IV in IT (Games Programming) studies. ScreenACT, the ACT Office of Film, Television & Digital Media, has established this scholarship to help address the current skills shortages in the local industry.

### AIE Indigenous Student Scholarship

One scholarship of up to \$4000 is available to any Aboriginal or Torres Strait Islander student who is studying in any of AIE Canberra's full time Certificate IV or Advanced Diploma courses.

### Dream & Achieve Scholarship

Two scholarships of \$3000 are available for a male and female applicant for the Certificate IV in Screen (3D Animation). This scholarship is open to residents of the Eurobodalla Shire area.

### Applications

All Scholarships applications will be assessed on quality of portfolio and written information in application form. An interview may be scheduled as a part of the selection process.

**Applications close midday, Friday 21<sup>st</sup> December.**

Please contact AIE Canberra for more information as well as full terms and conditions. The application form on the following page should be sent along with an art portfolio or programming demo and testimonial (optional) to the postal or email address at the top of the page.

### Sony Scholarship Interactive Scholarship (for 2009 study)

The Sony Foundation Australia generously makes available a total of \$6,000 to subsidize a first year student enrolled in the Certificate IV in Screen (3D Animation) from AIE Canberra to continue into the Advanced Diploma of Professional Games Development (Art Major). The recipient of this scholarship for 2008 study has been decided. Scholarship applications for 2009 study open in October 2008.
